MEET THE FOUNDER

Introducing Mr. Nilesh Mishra, whose entrepreneurial spirit is the driving force behind SAS India's success story. With a vision to elevate security systems and make them more accessible, his innovative ideas and unwavering determination breathed life into SAS India, establishing it as a seamless service provider to society.

He is a distinguished technocrat hailing from Gujarat Technological University, where he specialized in Electronics & Communications. Currently serving as the Managing Director and Chief Executive Officer at SAS India, Mr Mishra brings a wealth of expertise to the table.

Mr. Nilesh Mishra is the linchpin of our organization, overseeing every facet of our operations. From initial client inquiries to the successful execution of services, his vigilant oversight ensures an efficient workflow throughout the company.

“With over 2 Decades of experience, we deliver Premium Security Solutions at the best price”

WHO ARE WE

With an increasing crime rate, when people are unsure about their safety, SAS India provides the desired protection. For over a decade, we at SAS are working against threats and helping organizations make better choices regarding security measures. Our entire workforce abides by three guiding principles - Firmness, Discipline & Courtesy.

Along with compact security, we also provide manpower for many other endeavours. Our specialities include Housekeeping Service, Event Housekeeping, Mechanized Housekeeping, Pantry Service, Pest Control, General Payroll, General Maintenance, Floor Polishing, Project Cleaning, External Glass Cleaning and Gardening. Whatever you need, SAS India can provide you.
